

Team Bio - Visual Learning Platform

Project Description

Clear Sky Therapy Service LTD is a company that provides therapy to individuals, mainly children, on the autism spectrum. Their behavioural interventionists and consultants use a number of different tools and programs to provide these services. Our project, the Visual Learning Platform, will be a mobile application designed to assist behavioural interventionists and teachers with the planning and delivery of high quality intervention sessions.

Team ROMALA

Cynthia Rodriguez - Coming from Cuba with a work history in music, Cynthia chose to pursue a new career in IT. Cynthia is our team communicator because she loves interacting with others.

Jorden Marc - An Island Guy who used to be a woodworker, Jorden decided to explore the IT field starting with Camosun's CST program. Jorden is our team manager because he enjoys critical thinking and organization.

Gus Lally - Born in Victoria BC, Gus moved to Edmonton for 9 years where he completed the Help Desk Analyst program at CDI college. After returning to BC, he chose the CST program to expand his skills. Gus is our team researcher because he enjoys keeping his skills up-to-date.

Special Thanks

Our team is grateful for the opportunity given to us by our project sponsor, David Markin, to work on the Visual Learning Platform. We appreciate the trust he has given to our team and we are looking forward to the success of the project.
